Dear Miss Partow!

I am awfully sory that I couldn't come to see you, I have influenza and can't leave my room and my daughter had no chance to meet you either. Also your letter came so late by the post. Would you be so kind and come to tea to-day or if you like it better tomorrow afternoon? We all should be very glad to make your acquaintance and are looking forward with great pleasure to your coming. Will you send me word if I can await you? Tel. 24-85. Yours very sincerly Mrs. Dr. Imre Strasser
